## **SUMMARY OF INTERVIEW**

### Attendees, Date and Type of Interview

Telephonic interviews were conducted between Examiner Irene Marx and the undersigned on July 19, 2007 and August 2, 2007.

### Exhibits and/or Demonstrations

none

### Identification of Claims Discussed

Claims 5 and 6 and withdrawn claims

### Identification of Prior Art Discussed

none

### Proposed Amendments

Substitution of "cellulose derivative" (claim 5) with "carboxymethylcellulose" (claim 6) and deletion of claim 6 was discussed.

### Principal Arguments and Other Matters

The Examiner pointed out that "Sigmacell" and "Avicel" required capitalization and indication as trademarks throughout the specification. The Examiner requested a description for "AVICEL®" and "SIGMACELL®" and supporting documentation.

### Results of Interview

Applicant will file a supplemental amendment to address the issues raised by the Examiner. The Examiner indicated that withdrawn claims appeared to be rejoinable.
